NEW YORK WINS FROM BOSTON IN 18-HOLE MATCH

Present Holders of Lesley Cup Outplay Rivals at Garden City Links.

GARDEN CITY GOLF LINKS, Saturday.—New York won from Boston in the eighteen hole match this afternoon, by 7 to 2, the two ball foursomes are being played late this afternoon.

The teams in the singles were:—

Boston—H. H. Wilder, captain; J. G. Anderson, T. R. Fuller, P. W. Whittemore, J. G. Thorpe, T. M. Claflin, Templeton Briggs, T. G. Stevenson, H. R. Johnstone and A. L. White.

New York—J. D. Travers, W. J. Travis, captain; Frederick Herreshoff, Findlay S. Douglas, Max Behr, John Reid, Jr.; C. A. Dunning, A. M. Robbins, Dwight Partridge and Chadwick Sawyer.

In contrast to the biting northwester of yesterday there was little wind to puzzle the players and conditions generally were far more favorable for low scoring than when Boston scrambled home over Philadelphia on the previous day.

The matches were as follows:—

Jerome D. Travers, Montclair, vs. J. G. Anderson, Woodland.

W. J. Travis, Garden City, vs. H. H. Wilder, Vesper.

Fred Herreshoff, Garden City, vs. H. R. Johnstone, Myopia.

Max Behr, Morris County, vs. P. W. Whittemore, Country Club.

A. M. Robbins, Garden City, vs. T. R. Fuller, Commonwealth.

John M. Ward, Westbrook, vs. T. Briggs, Lexington.

F. S. Douglas, Nassau, vs. T. M. Claflin, Boston.

J. Reid, Jr., St. Andrews, vs. J. G. Thorpe, Oakley.

G. T. Brokaw, Garden City, vs. A. L. White, Wollaston.

C. A. Dunning, Nassau, vs. T. G. Stevenson, Myopia.

Walter J. Travis, of the metropolitan players, and H. H. Wilder, of Massachusetts, captains of their respective teams, were first off. Travis won 2 up. The card was as follows:—

Travis:—
Out ..... 4 4 5 5 4 5 5 4 6—42
In ..... 4 5 4 3 5 5 4 5 3—40—82
Wilder:—
Out ..... 4 3 5 5 4 6 6 4 5—42
In ..... 6 6 3 5 5 4 5 6 3—43—85

H. W. Whittemore, of the Country Club (Massachusetts), walked away from Max Behr, of the Morris Country Club, winning his match by 5 up and 4 to play.

Young Tom Fuller found Arden M. Robbins rather an easy opponent, for he won by 3 and 4. Fuller was playing sound golf.

John G. Anderson gave Jerome D. Travers an extra hole match, and he looked like a winner toward the end of the eighteen holes, but the national champion again gave evidence that he is a nonpareil finish in a tight match. For instance, Anderson was 1 up and 1 to play. Jerome put his shot close up to the pin over the green at the home hole and won it in 3. Anderson had by far the better drive to the extra hole, as Travers pulled his drive into the rough at the left. Travers, using a heavy niblick, lofted his ball over the rough and hillocks and lay within eight feet of the hole. Anderson overplayed his approach, and Travers won the hole and the match.

The cards:—

Travers.
Out ..... 5 3 4 5 3 4 5 5 5—43
In ..... 6 5 3 5 4 6 4 4 3—41—84

Anderson.
Out ..... 4 3 5 6 4 5 7 4 5—43
In ..... 5 4 4 5 5 5 4 6 4—42—85

Extra hole—Travers, 5; Anderson, 6.

PROPRIETARY.

Bad Breath and Sour Stomach

Stopped at Once with Pure Willow Charcoal, the Greatest Gas Absorber Known.

There is no necessity to suffer the humiliation, chagrin and discomfort of bad breath, biliousness, sour stomach, gastritis, sluggish liver, etc., when a little lozenge of charcoal will cleanse the stomach and make it pure and sweet.

Do not drug yourself when a simple little natural charcoal made from fragrant willow branches, sweetened with honey, will add tone to your stomach, liver and intestines, rapidly absorb gases and stop foul odors of all kinds.

Charcoal will absorb one hundred times its own volume in gas. A box full of charcoal placed in a bed room will keep the air of such a room pure and sweet.

A little charcoal lozenge dissolved on the tongue after meals will also keep the stomach fresh and clean. Charcoal is justly called the scrubbing brush for the stomach. The old monks of medieval times cured bad cases of stomach trouble, cast out devils from the system of man by feeding such a man charcoal.

Scientific men of to-day believe in the great strength of charcoal for the cure of human ills. Too much of it cannot harm one. The system craves it just like an animal needs and craves salt every so often. Charcoal goes into the stomach easily and is welcome, it settles down through the action of the stomach, and then through all the food, absorbing gas, aiding digestion and giving tone to the liver, so that when the food goes into the intestines, and there meets other digestive fluids, the charcoal holds the impurities and thus keeps them from the blood.

Stuart's Charcoal Lozenges are made from pure willow. They are prepared fragrant by the use of honey and sweetened so they please the taste and are easily dissolved.

They have an enormous sale, thus showing them with the approval of the public. Every druggist sells them, 25 cents per box. Go to your druggist to-day and buy a box; then after your next meal take two or three of them and judge for yourself of their merit.

Several taken at bed time will prove a joy to the morning that they have kept at work all night, for your bad breath will not be so bad after all.

Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 200 Stuart Bldg., Marshall, Mich.

LEADERS IN 24 HOUR RACE ARE FIFTY MILES AHEAD OF RECORD

(Continued from First Page.)

of the twelfth hour, and, while Strang, Robertson, Winters, Michener (the last named substituted for Cobe) and Lahwell were fighting it out in every mile and small army of machinists and repair men were struggling with the disabled Gatjen, Stearns and Cleveland cars. The Gatjen had been so badly damaged by its crash into the fence that three new wheels and a new magneto, carburetor, pump and radiator had to be put in.

Laurent's Stearns car was even in sorrier plight, a breakneck trip to New York and back to bring a new front frame and axle having been found necessary. In the case of Chevrolet's Cleveland car, new front wheels and steering apparatus had to be put in. The Fiat, Acme, Thomas four cylinder and the Renault, driven by Bloch, were out for good and all, however, their damages having been judged irreparable within the time available.

Car No. 19, the Garford, an American entry, was also withdrawn.

In the fourteenth hour the Gatjen car, No. 14, with Poet driving, returned to the track after an absence of seven hours spent in making repairs.

Tire Trouble Halts Renault.

The Renault led by half a lap at the beginning of the second half, but tire trouble caused a temporary absence from the track, during which the Simplex gained three miles. Lescault was then at the wheel trying to rival the record of his fellow driver, Robertson, who, during the morning, had made up a loss of nineteen miles by such driving as made the hair of the spectators stir on their scalps.

Robertson waited long enough to learn that the man he ran down had a fighting chance for life, and he went back on the track to regain his lost laps. So fast did he send the American machine around that the others were unable to keep up with him, and he continued to pick up lap after lap for six straight hours, when he succeeded in regaining the fifteen miles that separated him from the first Renault car, driven by Lewis Strang.

During the early hours to-day the Cleveland car, while running past the grand stands, cracked one of its cylinders and came to a full stop. Immediately behind was Harry Block driving the second Renault entry, which had a leaky tank. As Block turned his car to avoid running into the Cleveland the gasolene spurted out of the tank and covered the Renault with a sheet of fire. The mechanician jumped, but Block remained in his seat and steered the car into the inside fence. As it hit the fence the car completely overturned, throwing Block to the ground several feet away.

Block was picked up unconscious and hurried to the Emergency Hospital. He was severely burned about the face, neck and hands. The Renault was a total wreck.

The crowd in the grand stand rushed out to the track, gathered about the wrecked machine and despite the efforts of the police refused to be driven back. At this time the Zust car, with Matjen driving, came around and it narrowly escaped running into the crowd. In turning quickly one of the tires was torn off and the Zust was sent flying into the outside fence, carrying away about twenty feet of the rail.

Matjen and his mechanician were both thrown from the machine, but the latter escaped injury. Matjen was stunned, bruised and had one of his wrists broken.

He was also taken to the Emergency Hospital.

IF—!!

If the Giants win all three games from Boston next week and the Chicago Cubs beat Pittsburg Sunday, the Giants and the Cubs will be tied for first place. Each will then have won ninety-eight games and lost fifty-five, and each have a percentage of .640.

If the Giants win all three games from Boston and Chicago loses to the Pirates to-morrow the Cubs' percentage will be .634 and Pittsburg will win the pennant with a percentage of .6428.

The best that the Giants can do now is to tie Chicago for first place. This whole computation is based on the supposition that President Pulliam's decision that the recent Chicago-New York game is a tie will be upheld by the National Board.

[SPECIAL TO THE EVENING TELEGRAM.]

PRINCETON, N. J., Saturday.—Princeton picked out a warm proposition for the first practice game of the year when the Springfield Training School was selected to begin the season. The Springfield team ranks well among the minor elevens and has been able to give Yale a good try out in the last two years.

It is made up of husky New Englanders, and they know the game well enough to give the 'varsity possibilities plenty of hard exercise in the early game. Admirable weather greeted the teams for the first game. The temperature was a trifle mild, but the sun shone from a clear sky, and the general conditions assisted greatly in bringing out a fair attendance.

Quite a number of Princeton men who are interested in football, came down from New York on the noon train to see what the first game would produce for the Tigers. There were also a number of enthusiasts who drove over in their motor cars. It is the impression of the football experts that Princeton has a good nucleus for a fine football team this year, and all the 'varsity men are interested in watching the development of the players.

Princeton turned out a splendid squad for the first game. Although the men have but just begun training, they were in fine condition and expect rapid development with the experience of to-day's hard game and the first practice that they will have for the weeks that are to come.

Springfield kicked off and Princeton ran the ball back twenty yards. Read made about six yards around Springfield's right end, then Princeton punted to the 20-yard line and Springfield ran the ball back twenty yards. Springfield made it a first down on a forward pass and then punted high to the centre of the field, where the Tigers got the ball.

Princeton smashed through the line for a first down in two attempts. Pfeifer got a first down on the left and then lost the ball on a fumble.

Springfield Makes Long Gain.

On a forward pass Springfield made twenty-five yards around Princeton's left end. Springfield tried another forward pass and failed to gain. Then Springfield punted to the 35-yard line and Dillon ran the ball back to Springfield's 40-yard line. With an onside kick Princeton got the ball to the 15-yard line. McCrohan carried the ball to the two-yard line and from there he went through the line for a touchdown. Walter kicked goal.

Score:—Princeton, 6; Springfield, 0.

Springfield kicked to Dillon near the goal line and he ran the ball back twenty-five yards. Princeton punted to the centre of the field and saved the ball. Nine yards was made around the end, but Princeton held, and lost twenty yards. By an onside kick and McCrohan's nimbleness in capturing the ball, Princeton held it with a long gain on the 2-yard line. With a fake play, Princeton sent Read around the end for a touchdown, but missed goal.

Princeton Star Crippled.

Munro took Dillon's place and Buckingham went in for Read. Cunning took Pfeifer's place. Springfield kicked off and Princeton ran the ball to the 42-yard line and fumbled. Springfield's left half got around the Tiger left for a long run to the 15-yard line. McCrohan was hurt in the second scrimmage and time was called while the full back left the field with a sprained ankle.

Springfield missed a forward pass and Princeton punted the ball out of danger. Springfield lost the ball and the Tigers punted to the Springfield 3-yard line, where the ball was muffed and the Tigers got it. An onside kick failed to gain for the Tigers and the first half was over.

Score—Princeton, 11; Springfield, 0.

Second Half.

Princeton kicked off in the second half and Springfield fumbled on its 25-yard line. A fine tackle by Bishop, Princeton's left half, prevented Springfield from gaining. Bishop is a former Michigan player. He carried the ball through Springfield's line for seven yards and Princeton was set back fifteen yards for holding.

Princeton kicked out of bounds on the Springfield 42-yard line. Springfield failed to gain through the line and on a bad pass from centre Springfield was checked again and had to punt. Princeton ran the punt back to the centre of the field and Springfield lost five yards for off-side play on the first scrimmage.

An on-side kick by the Tigers carried the ball to the Springfield 15-yard line, where it was lost on downs. Springfield was forced to a safety.

Score:—Princeton, 11; Springfield, 0.

Springfield punted from the 25-yard line to the Tiger 35-yard line and the ball was run back to Springfield's 20-yard mark. Princeton missed an on-side kick, but saved the ball, and then a bunch of Tiger substitutes were run into the line. They shoved the ball over the field for a touchdown by mowing down the Springfield forwards. Walter missed goal.

Score:—Princeton, 18; Springfield, 0.

Couldn't Score Again.

Springfield punted to the Tiger 10-yard line and the ball was run back twenty yards. The Tigers punted at once to the centre of the field. Springfield tried a forward pass, but failed to gain, and then punted to the 15-yard line. The Tigers kicked the ball back to the centre of the field.

Springfield tried to circle the Tiger right end, but held and lost fifteen yards. The Tigers refused to take the penalty and punted from the original mark, a long kick to the 40-yard mark.

The ball was run back twenty yards. Springfield kicked and Princeton lost the ball on its own 25-yard line, when the game ended.

Score, Princeton, 18; Springfield, 0.

[SPECIAL TO THE EVENING TELEGRAM.]

YALE FIELD, NEW HAVEN, Conn., Saturday.—Syracuse and Yale met on Yale Field this afternoon under ideal weather conditions for football. The entire university seemed to be at the gridiron. It was anticipated that Syracuse's veteran team would score.

Captain Horr had expressed his confidence that his eleven could win. As Syracuse's coach, Howard Jones, an end of Yale's last eleven, is a brother of "Tad" Jones, Yale's coach, the game was one of Yale style necessarily by both teams.

The Syracuse team came on the field first and ran through their signals. They looked heavier man for man than Yale's team except for Cooney and Andrus, of Yale, whose bulk was superior.

Before the game a score of students marched in with a bass drum and fife and marched around the field burlesqueing the political campaign. One man represented W. J. Bryan and made speeches at several points, getting much applause. A Rough Rider, with a big stick; a minie Kern and another labelled Shearn were also on hand.

First Half.

Hobbs kicked off to Stein, who made ground to the 30-yard line. Dudley broke through for five yards and skirted the end for four more. For holding, Syracuse was moved back fifteen yards. Dudley's on side kick was taken by a Syracuse man on their 45-yard line. Banks' quarterback run got near midfield. Stein broke centre for eight yards. Dudley followed through tackle with three more.

Horr ran around Yale's right end for six yards. Stein at centre failed. Cooney went in for Lilly. Dudley made another first down by getting to the Yale 13-yard line.

For holding Syracuse lost fifteen yards and Stein tried for a goal from placement. It failed, and Philbin, getting the ball, was thrown on the 8-yard line. Coy kicked from the goal line to Barry, who was thrown by Cooney on Yale's 45-yard line. Yale interference lost her five yards.

Barry broke through the line at quarter for two yards. Dudley's fumble gave Burch the ball.

Ball and he raced for Syracuse's goal. He was called back to Yale's 20-yard mark and Barry made it first down. Stein added another, but Yale plugged the next attack at the line.

On Yale's 10-Yard Line.

Stein got four yards to Yale's 10-yard line. Dudley failed to gain around the end and Stein also. Stein falls back to try a field goal, standing on 20-yard line. The ball struck the crossbar and bounded sideways.

Coy put the ball in play, kicking from 25-yard line to Banks, at midfield. Dudley was nailed by Burch. Horr falls back and made forward pass of thirty-five yards to Burchun. The next forward pass was taken by Coy on Yale's 15-yard line. Syracuse was penalized for offside.

Murphy was jammed through for eight yards at centre. Coy kicked to midfield, where Banks was smothered. Horr ran right end to eight yards. Stein added two more.

Horr ran right end for eight yards. Stein added two. Banks six more and Stein four more. Banks made nothing around Kilpatrick. Stein was stopped. Hobbs blocked Stein's try for goal, and Burton seized the ball and raced out of bounds at Yale's 15-yard line. The half ended here to Yale's relief.

Second Half.

Syracuse kicked off and Biddle blocked, giving Yale the ball on her 30-yard line.

On a double pass, Coy made six yards. Coy kicked 50 yards to Banks, who was nailed by Burch on Syracuse 20 yard line. Stein made one yard and Banks six on a quarterback run. Yale was penalized for holding. Barry skirted the end for four yards. A delayed pass failed to gain.

Stein kicked to Hopkins, who ran 25 yards to midfield, out of bounds. Murphy attacked left tackle for a small gain.

Coy muffed a double pass and lost eight yards, but got the ball.

In a revolving play Coy was shoved around left end and scored a tochdown. Hobbs kicked goal.

Score, Yale, 6; Syracuse, 0.

Murphy ran the kick off back to the 30-yard line. Philbin ran the left end for twenty yards, Coy kicked to Banks, who was tackled by Hobbs in great style. Banks' dodging run was stopped by Hobbs and an outside kick gave Yale the ball. Murphy falling on it in a scramble. Philbin fails to gain on a fake kick.

Philbin bucked the line for six yards. Coy made it first down and on a fake kick Philbin made four yards. Coy, on a double pass made it first down. On a tandem, Horr gave ground again to Philbin for three yards. Coy's kick went to Stern on Syracuse twenty yard line.

[SPECIAL TO THE EVENING TELEGRAM.]

SOLDIERS' FIELD, CAMBRIDGE, Mass., Saturday.—A crowd of seven thousand turned out for Harvard's second game of the season. The University of Maine, a team beaten 34 to 4 last year and with which little trouble was anticipated, were the crimson opponents to-day.

Harvard played practically as in the Wesleyan game Wednesday, the only change in the line-up being Verweihe at right tackle. Cutler, who ran the team so well in the second half Wednesday, was in charge to-day, while Kennard, an end last fall, played his first game at full back.

The Maine team has been coached by Sherman Coy, the Yale end of several seasons ago, and, as it came onto the field looked small in comparison with Harvard.

Before the game Coach Haughton, of Harvard, said he expected his team to equal last year's score, as the eleven was the strongest Harvard could present.

The Game In Detail.

Harvard kicked off, Maine almost at once gaining a first down on two rushes through Harvard's right wing. Fifteen yards was here lost for holding, Bearce punting to Corbett at the middle of the field. Corbett ran back for twenty yards. Harvard was repulsed in two plays and resorted to the forward pass for a first down. Harding making a pretty catch from Cutler.

This put the ball on Maine's twenty yard line. Harvard then scoring on five centre plunges by Smith and Kennard, the latter making the touchdown after six minutes of play. McKay kicked goal.

Score:—Harvard, 6; Maine, 0.

Corbett ran Bearce's kick-off back to Harvard's 35-yard line and on the first play Kennard raced fifteen yards around Harding's end. This gain was immediately lost for holding. Burr lifted a high punt that A. Cook muffed on Maine's 45-yard line, Harvard recovering the ball. The 20-yard line was reached on two short tackle gains and a pretty run by Cutler, who skirted the end after Maine's defence had spoiled any chance for a forward pass.

Maine's line then broke through on two plays, Kennard's try at goal from the 40-yard line falling short. Cobb then made a first down through Hoar and a similar distance was added by Bearce before Maine was penalized for holding.

Maine almost immediately kicked to midfield. Smith and Corbett made good gains for Harvard and then Crowley cleverly recovered an onside kick.

This was on the fifteen yard line and it took four plays to score, Corbett sliding outside right tackle for the touchdown. McKay missed an easy goal.

Score:—Harvard, 11; University of Maine, 0.

Second Half.

Score, end of first half, Harvard, 11; Maine 0.

Maine kicked off to White, who ran back to the 25-yard line, Corbett adding fourteen yards more at left end. Then Corbett broke through to Maine's 45-yard line, where he dropped the ball. Maine got it, but immediately fumbled, McKay getting the ball for Harvard.

West took Burr's place and Gray replaced Kennard. With the ball on Maine's 45-yard line, Withington replaced McKay, Corbett taking Bearce's return kick back to the 30-yard line, where Browne fumbled and it was Maine's ball again. Harvard's line was shifted and defence and Bearce kicked again.

King nailed Corbett on Harvard's 40-yard line. Graydon took Corbett's place for Harvard. Two plays gained slightly, whereupon Gray kicked to Cobb, who made a pretty side line run to Maine's 45-yard line. Withington replaced McKay and smeared the first play.

Bearce kicked to Browne, who ran thirty yards and well into Maine's teritory. Hammond replaced Black, of Maine. Bob Brown replaced Crowley. After being penalized for holding on Maine's 20-yard line, Browne kicked over the scrimmage to Maine's 2-yard line.

Bearce, kicking behind the goal, lifted the ball straight in the air. Nourse making a fair catch for Harvard on the 15-yard line. Graydon and White hit the centre for a first down, Graydon reaching the 1-yard line. White then scored the touchdown. Dunlop missed goal.

Score:—Harvard, 16; Maine, 0.
