SETS NEW TRACK RECORD.

#### Spring Beaten a Head in Pierrepont Handicap at Jamaica.

Eugenia Burch, at top weight with 120 pounds, won the Pierrepont Handicap at Jamaica yesterday. She ran the distance, one mile and a furlong, in 1:52 4-5, making a new track record, and beat a good field, including among others Spring, Santa Catalina, Coy Maid, Race King and Alma Dufour. From the manner of her winning it was probably the best race this good mare ever ran. She was conceding from three to twenty-three pounds to her opponents, was off badly and in close quarters on the rail in the run around the first turn, had to go around her field on turning for home and then stood a long, hard drive through the last furlong to get

up to win by a head. The Pierrepont Handicap was the feature of the opening day of the Metropolitan Jockey Club's fall meeting at Jamaica. It was all that was claimed for it, too, as it resulted in one of the best races of the season. Thirteen horses faced the starter. Coy Maid closed a slight favorite over Santa Catalina at 7 to 2, while there was hardly a horse in the race that did not have a following. The start in front of the grandstand was only fair, Von Tromp, Eugenia Burch and Oliver Cromwell getting the worst

Creamer, on Spring, was wide awake and rushed his mount to the front and gained the coveted position on the rail, a place he held until Eugenia Burch headed him in the last stride. Coy Maid, Race King and Santa Catalina were Spring's closest attendants around the turn and in the run up the backstretch. Santa Catalina was on the outside and had the most to do, but on the far turn she seemed to be going the strongest of the first four. Coming into the stretch it looked like a duel between Spring and Mr. Varner's pack of pure bred Georgia hounds. Santa Catalina, as Coy Maid was dropping back and Race King showed signs of weakening/when suddenly Eugenia Burch loomed up, having worked her way through the big field. She lames quickly disposed of Santa Catalina and gave battle to Spring, which was hanging on in gamer fashion than usual. Through the las sixteenth it was a bitter drive, and the Ber Strome mare earned the decision by a short head. Santa Catalina was third.

The other races were well contested also, and if the opening day at Jamaica is a forecast o the ones to follow the sport will be quite up to the standard in every respect. A good size crowd was in attendance yesterday, and as a July day had been transplanted into October there was little to complain of in the matter of weather.

Disobedient continued his winning streak by taking the first race easily. Jacobite, which has not started in some time, was the favorite, but he could not outrun Father Catchem in the first half mile and this seemed to discourage

The other winners were Just So, Rusk, Delmore an: Lindale. Just So and Lindale were the only favorites to get to the judges first.

# PADDOCK PARAGRAPHS.

That the track at Jamaica is fast was shown when Eugenia Burch ran a mile and a furlong in 1:524-5, after being five or six lengths behind Spring at the timing flag, but it is probably a full second slower than Belmont Park, and there is absolutely little or no chance of any world's records being broken, even if Roseben, Kiamesha and Disobedient are brought together at a mile. Disobedient's time

EUGENIA BURCH'S STAKE. | \$500, but the stable protected him with the usual \$5

Oliver Cromwell, which was reported sold to Albert Simons on Saturday for \$3,000, ran in the name and colors of F. E. Brown yesterday, his former owner.

J. Martin earned the jockey honors yesterday with two winning mounts—Disobedient and Lindale. Garner, Romanelli, Buchanan and Wiley were the other boys to earn brackets.

### REYNARD IS FOXY.

#### Mrs. Hitchcock and Mrs. Brooks Lead the Fruitless Run.

Hempstead, Long Island, Oct. 16 (Special).-From a field of twenty-two of the best cross country riders about New-York, Mrs. Reginald Brooks and Mrs. Thomas Hitchcock, who rode cross saddles, earned the honors to-day at a fox hunt on the Hempstead plains.

Old campaigners of the hunting field were in the saddle, but so handily and cleverly did both Mrs. Hitchcock and Mrs. Brooks lift their nounts at every jump that they had outridden many of the field before the ten-mile chase was half over.

Four foxes were routed from cover, and the first three furnished some excellent sport, and particularly so with the third, who gave a run of nearly two miles in the open country with the pack in close pursuit. He managed to throw the pack at fault for a few minutes at the J. S. Stevens estate and dove into a hole and escaped.

Seven meets will be held during the remainder of the week. There will be both a drag and fox hunt to-morrow. The latter will start at 8 o'clock from the Barnum estate at Meadow Brook. At 4 o'clock there will be a drag hunt from East Williston. On Wednesday there will be a hunt with the American foxhounds, and on Thursday a pack of Mississippi foxhounds will trail Long Island foxes. On Friday an English pack will try conclusions and on Saturday there will be a drag hunt with English foxhounds in the afternoon, and in the morning a run with

# WORK ON THE GRIDIRON. PILGRIMS LAND AGAIN.

# to Play on Columbia Team.

The Columbia team had only light practice yesterday. Many of the men were suffering from bruises received in the Williams game and kept entirely out of the work. Two elevens ran through the signals, and several of the men practised punting. Carter and Starbuck both took part in the practice. There is a strong probability that, despite the hasty action of Dean Sever in debarring the men from the team on account of deficiency in their studies, they may yet be declared eligible. The dean, it is said, somewhat exceeded his authority, and the case will be reconsidered at a meeting of the faculty

Both men said yesterday that, while they had no official announcement from the faculty to that effect, they expected to have an opportunity

to make up their back work. With the Princeton game less than two weeks away, there is as much doubt as to the makeup of the Columbia team as there was at the beginning of the season. The only positions which were held by the same men at the beginning of both the Wesleyan and Williams games were left end, centre, right tackle and right halfback. Even these men are not sure

of their positions. Two weeks ago Morley announced that any position on the team was open until the day of the game, and it looks as though he was following out this policy. There are two positions—centre and quarterback—which, unless there are unexpected developments, are practically assured to their present holders, Aigeltinger and Donovan. For guards there are Ross, Ryan, Bates, Escheverria, Davis, and possibly Duden. All are heavy men. Duden and Escheverria, who started the Wesleyan game, were replaced by Ross and Ryan in the Williams game. Duden has now been shifted to the tackle position. Although Escheverria played one of the guards last year, it looks now as though he would lose his position to one of the new men.

If Davis had more experience, he would prove a strong candidate because of his strength. As it is, however, it looks as though it would develop into a contest between Ross, Ryan and Bates, with the odds in favor of the two first

named.

For the tackles there are Browne, Von Saltza, Suden and Naething. If Von Saltza continues to play as he played Saturday he looks like a sure thing at one tackle. Until Saturday Browne was picked for the other tackle, but his work in the Williams game was poor, and it now seems as though Suden, who is heavier and a better ground gainer, would make a strong bid for the place. Naething lacks the experience of the other men, but will prove a valuable substitute in case he falls to make the first eleven. At present Muir and Fost, who played the ends last year, are both out of the game on account of injuries. When they come back only the hardest kind of work will keep one of them from losing his place, if Fischer's work in the Williams game is any criterion of what he can do later. He is as fast as either of them, and tackles hard and low. The fact that Williams game is any distribution of them, and do later. He is as fast as either of them, and tackles hard and low. The fact that Fowler weighs only 133 pounds keeps him from being a strong candidate for an end position or for quarterback. He has been tried at both and has distinguished himself. In the Williams game it was he who finally stopped Brown's

and has distinguished himself. In the Williams game it was he who finally stopped Brown's dashes around the end after Enos had been taken from the game.

The make-up of the backfield depends on what action the faculty takes at the meeting to-day. If Carter is made eligible he looms up as the most promising candidate for fullback. Otherwise John Fisher proved by his work in the Williams game that he can take care of the position.

williams game that he can take care of the position.

If Fisher does not play fullback, he will probably go to left halfback, leaving Helmrich. Armstrong, Lindo and Willard to fight it out for the other position. Lindo and Willard do not seem to have a close call on first place, but both Fisher and Helmrich will have to hussle if they beat out Armstrong, who is one of the speedicst men behind the Columbia line. If Fisher goes to fullback, Armstrong and Helmrich will probably be on either side of him when the whistle blows in the Princeton game.

President Butler has requested the graduate athletic council to investigate the disturbance which took place on the field during the Wesleyan game. The committee will render its report in a few days. It is believed that Morley will be fully exonerated for any part he took in the fracas.

# HARD WORK FOR THE TIGERS.

#### 'Varsity Scores Three Touchdowns on the Scrub in a Fast Scrimmage.

[By Telegraph to The Tribune.] Princeton, N. J., Oct. 16 .- The coaches nut the Figers through a long individual drill this afteroon. Considerable attention was devoted to puntng, while the ends and linemen were specially coached in blocking. This drill was followed by a long signal practice and a twenty-five minute scrim-

The 'varsity scored three touchdowns, while the crub was unable to gain a single down. The

scrub was unable to gain a single down. The 'varsity showed strength and power in every play, and ran the plays with such snap and speed that the scrub could make but feeble resistance. The interference was especially good, but fumbling was evident on both teams.

Daub was not out to-day owing to minor injuries. Hamill played a star game in Daub's position, and made repeated gains of ten and fifteen yards through tackle. Herring was laid up to-day with minor injuries, and Phillips played his tackle well. McClintock and Pfeifer were tried at halves again, and did well. Tenney showed marked improvement in punting. Bard and Hamill did excellent work as backs, and the whole 'varsity back-field started quickly, played well together and took quick advantage of the holes opened up in the line.

# SECRET PRACTICE AT YALE.

#### The Coaches Drill the Candidates Behind Closed Gates Earlier Than Usual.

New-Haven, Oct. 16 .- Secret practice began without warning at Yale Field this afternoon, the oaches keeping the men behind closed gates for half an hour. The open scrimmaging was between second and third elevens.

Cates, the hurdler and captain of the track team, joined the squad to-day. Last year he was a prom ising end until he was injured and had to retire.

Ising end until he was injured and had to retire. He should be a good running mate to Captain Shevlin, though he is much lighter. He was put on the first eleven to-day and went through signal practice orily.

Congden, who has been on the bench with a dislocated shoulder, came out again to-day for end. Tripp, who was injured the second time on Saturday, was also out, but with Forbes, Erwin and Hutchinson, of the 'varsity, did not line up in the open game. Andrews was given a trial at left guard. Turner at left tackle and Jones at quarterback.

During the kicking practice Wylle, the freshman halfback, punted fifty yards. G. Foster Sanford who has been coaching the Yale centre trio, left to-day for a week with the Amherst team.

HARVARD 'VARSITY ON ITS METTLE. Cambridge, Mass., Oct. 16 .- The Harvard coaches were after the Crimson players with big sticks this afternoon with the result that in the short scrimmage held the 'varsity made a weak second team look foolish. Wendell received the second's kickoff on the 'varsity ten-yard line and ran it back thirty yards before he was downed. On the next play he went through left tackle for seventy yards and a

The ball was then given to the second on the varsity's fifteen-yard line. After a dozen plays the off.

There was a long signal practice held before the scrimmage, in which Squires and Pierce took their places at right tackle and guard. They have been out of the game for two weeks and are still on the crippled list, not being able to get into the scrimmage. Dan Knowlton was placed at fullback on the second in his first work of the year, and Spear at right end on the 'varsity.

# HONORS FOR FOOTBALL MEN.

[By Telegraph to The Tribune.] Princeton, N. J., Oct. 16.—David Grant Herring, of Bloomburg. Penn., the Tigers' powerful right tackle, was elected president of the junior to-day. Charles A. McClintock, of Pittsburg, Penn., another football player, was elected vice-president and Edward Willes Bixby, of Wikes-Barre, Penn., was elected secretary and treasurer.

# COLUMBIA-YALE OFF!CIALS.

New-Haven, Oct. 16 .- The officials for the Yale-Columbia football game, to be played at American League Park, New-York, November 4. Were an-nounced to-day. They are: Paul A. Dashiel, of Lehigh, referee; John C. McCracken, of the Uni-versity of Pennsylvania, umpire, and W. H. Whit-ing, of Cornell, linesman.

Boston, Oct. 16.-Association football received a strong impetus in this city from the game today on the South End grounds between the Pilgrims, of England, and a picked team from nearby clubs. This visitors won by a score of

The light New-England players, although speedy and abreast of their opponents in individual play, proved no match for the tall Eng-Ashmen, with their well nigh perfect team work The Pilgrims scored once in the first half and four times in the second. Woodward, the centre forward, shot the first goal within a minute after the whistle blew in the first half and bunted the second goal at the outset of the second half. The third, fourth and fifth goals were shot by Bryning, Fletcher and Coopland in

The automobile race for the Sir Thomas Dewar trophy, originally contested for at Ormond last January, which was announced to take place at Coney Island to-morrow morning, has been declared off by the board of trustees.

The permission of the Park Commissioners had been secured and all the necessary arrangements made, when word was received that several cars had been injured in the Vanderbilt race, leaving only three assured starters. Under the circumstances the trustees decided that the trophy should be next raced for at the Or-mond meet, which will take place in January.

# GIANTS BARNSTORMING.

#### Manage to Beat Y. M. C. A. Team with McGinnity Pitching. [By Telegraph to The Tribune.]

Trenton, N. J., Oct. 16 .- The New-York National League Club, the world's champions, had a close call this afternoon when they won an exhibition game with the Young Men's Christian Association team by a score of 1 to 0.

The Giants' lone run was made by the muff of an easy fly by Horton. The contest developed into a pitchers' battle between McGinnity and Egner, and there were but five hits made.

When Billy Gilbert, of this city, stepped to the plate to bat in the second inning he was presented with a diamond stud, valued at \$250, a gift from local enthusiasts who had watched his career on the New-York team. The presentation was made by William J. Crossley, and Gilbert responded by striking out. The score follows: NEW-YORK. Y. M. C. A.

License System Will Be Enforced This Fall on Long Island.

Eastport, Long Island, Oct. 16 (Special).-Sports men not residing in this State are considerably dis-turbed through the announcement that the license system will be enforced this fall, and that they will be obliged to pay a tax equal to that which is he obliged to pay å tax equal to that which is charged New-York hunters who shoot in their respective States.

While the license system has been in effect here some time, no effort to enforce it has been made, and the result will be a decrease in the number of Pennsylvania and New-Jersey hunters.

The fee for those from New-Jersey will be \$10.50, while Pennsylvania hunters will be required to pay \$10. Manhattan and resident sportsmen generally are much gratified at the decision to enforce the law, as it will improve the shooting.

# Convention of State Medical Association Shows Disposition to Settle Differences.

When the delegates and alternates, representing thirty-three counties, assembled yesterday afternoon in the Academy of Medicine, No. 17 West 43dst., to open the twenty-second annual convention of the New-York State Medical Association, they showed themselves in favor of amalgamation with the State Medical Society, from which their or-

ganization has long been divorced. The association also discussed and adopted resolutions offered by Dr. E. Elliott Harris, which were

in part as follows: In part as follows.

Resolved, That the New-York State Medical Association believes that the time has arrived to create a sentiment in the medical profession, as well as in the legislature of the State, in favor of one medical examining board, instead of the three senarate examining boards now provided in the well as in the legislature of the star of the three one medical examining board, instead of the three separate examining boards now provided in the law, and to counteract the growing tendency in the State legislature to create special examining boards for some of the popular medical fads. Resolved, That the New-York State Medical Association believes that the coroner system in this State, and especially in the city of New-York, is antiquated, and should be replaced by one more modern; therefore, be it

Resolved, That the committee on legislation be instructed to investigate the questions embodied in these resolutions, and to draw up a bill to be introduced in the legislature of 1906.
