LESLEY CUP COMPETITION.

The eighth tri-city match for the Lesley Cup between teams representing the Metropolitan, Pennsylvania and Massachusetts Districts, was played on the course of the Huntingdon Valley Country Club, September 27 and 28. The Metropolitan team, being the holder of the trophy, was not called upon to play on the first day, but met and was defeated by the Pennsylvania team on Saturday, September 28. There was a change in the order of play, the foursomes being played in the morning. The reason for this change was to avoid all possibility of a win by a team in the morning. The score at the end of the morning's play was three matches for Pennsylvania to two for the Metropolitan, Messrs. Herreshoff and Kirkby being the winners in the singles for the Metropolitan team. All the matches in the singles, with a single exception, were extremely close.

The singles in the afternoon resulted in a win for the Pennsylvania team by eight matches to two, making the total result eleven matches for Pennsylvania and four for Metropolitan.

This was the first time the Pennsylvania Association has won the trophy, it having been won six times by the Metropolitan Golf Association, once by the Massachusetts Association and once by the Pennsylvania Association. Findlay S. Douglas captained the Metropolitan team. The following is a summary of the matches:
