## SWAMP NEW YORK TEAM After Losing Three Lesley Cup Foursomes Matches Singles Go to Massachusetts.

BROOKLINE, Mass., Sept. 26.—Massachusetts swamped New York and Francis Quimier, the open champion, defeated Jerome D. Travers, the amateur champion, in the Lesley cup matches at the Country Club today.

With victory apparently in his grasp at the first extra hole, the amateur champion slipped up on his easy putt. The open champion seized the opportunity and halved the hole. Going to the second extra hole, Quimier half topped his tee shot. Travers was away perfectly, but to safely carry the green a sharp cut was necessary. He cut, but not enough. The ball rolled over into a trap. His recovery was a buffer. Quimier was on in two and when Travers missed the fourth attempt at the hole the honors went to the local lad.

With the foursomes played, New York led by 3 matches to 2. Seven wins would carry Massachusetts through the preliminary round and into the final. They not only accomplished the feat but completely annihilated the New York team by taking all ten singles matches. The victory was the most complete in the history of the Massachusetts association.

There were more than 3,000 people on the course this afternoon and to a man they followed Quimier and Travers. In the forenoon a somewhat small gallery had followed the amateur champion and Travers and Tiffany defeated Oulmet and Hoyt by 4 and 3. The reverses for the Massachusetts pair came principally through Hoyt's misplays, for there were many occasions when he left his famous young partner a particularly difficult shot.

At the first tee in the singles Oulmet was apparently a victim of nerves, for his second was a hook into a hole. His second was short of the green, while Travers after a drive was on in 2. Oulmet's third was over and he took three putts, while Travers took but two and won the hole in 4. Oulmet laid his second from the next tee two club lengths from the pin, only to have Travers place his eighth inch away. When the champion took two putts the amateur took but one and had a two hole lead. They played 5 on the third hole, though Travers was fortunate, for his second landed in the rough and his second shot was a hook into a hole. When the champion took two putts the amateur took but one and had a two hole lead. They played 5 on the third hole, though Travers was fortunate, for his second landed in the rough and his second shot was a hook into a hole.

Travers' third to the long ninth was less than a foot from the pin, while Oulmet was twenty-five feet away and Travers became 3 up once more, for the open champion took two putts, Travers was out in 26, five under par, and Oulmet in 41.

Both took 3 on the short tenth hole and at the eleventh Travers missed his drive and in 2 was but a short distance ahead of Oulmet's tee shot. Oulmet used a conceding number and was down a hole. The hoodoo fourteenth loomed up ahead of Oulmet and true to form he mixed it up. His drive was behind a tree to the left, in the rough, and rather than play it safe with a chop to the fairway he elected to smash. The result was he hit the tree on his second, and again on his third and fourth. His fifth was well down the fairway and Travers was ahead and barely short of the green in two he picked up. Scores approximated the hole a 4 for Travers and an 8 for Oulmet. On the fifteenth green Oulmet's approach putt was weak and when he missed his fourth he became 2 down with 3 to play. Halves in three followed at the short sixteenth.

Travers sought the shortest way home to the seventeenth and the result was a drive into the rough under a tree. His stance was difficult, so he played to the fairway and taking three to the green, he pulled a perfect shot and was nicely home in two. Travers required 5 and the match was dormie one. Travers' tee shot to the home hole was in the rough and his second landed in the rough track. Oulmet, with two perfect shots, was on the green to the right of the pin. Travers backed out of the hazard and went through a rough. On the fourteenth of the green into the rough. His fourth was short, while Oulmet was down in 4 and the match was square.

## Gallery Applauds Travers's Ill Luck

BROOKLINE, Mass., Sept. 26.—Conduct which was described by Robert C. Watson, president of the United States Golf Association, as "reprehensible" marred the play in the Lesley cup matches at the Country Club this afternoon. Among a large gallery were a few overenthusiastic youths, ably seconded by a number of persons of more mature age, who cheered and applauded when a particular stroke of misfortune apparently forced the United States amateur champion, Jerome Dunstan Travers, to defeat in his match with Francis Quimier, the United States open champion.

The Country Club members deplored the incident, as did Oulmet. President Watson was particularly incensed over the incident and declared that drastic action will be taken by the U. S. G. A. and that possibly Boston might not again be chosen as the scene of a championship battle.

## Must Take Whole Band, They Insist

MINNEAPOLIS, Sept. 26.—There will be no music at the University of Minnesota football games this year, at least not by the university band, if the members stand by the threat made to-day. The band has mutinied. The trouble arose over a conference rule limiting the number of members to accompany the football team on any of its trips to thirty.
