

PHILADELPHIA, Sept. 27.—W. A. Larned and W. J. Clothier defeated Theodore R. Pell and R. D. Little today in the final tennis match for the Huntingdon Valley Challenge Cup on the club's courts at Noble. The score was 8-6, 6-8.

### Add Interest In Golf Match.

If the plans gone over at a dinner to the competitors in the tri-State matches for the Lesley Cup at the Baltusrol Golf Club are adopted, these contests another year will be considerably more interesting to the players than heretofore. It was suggested that in addition to the regular ten men from each district four others be selected. At present, the champion team remains idle on the first day and plays the winner of the match between the other two on the second day. It is planned to have the champion combination play a social match with the twelve extra men on the first day, so that every one will have an opportunity for a round or two of golf.

It will be the turn of the Philadelphia District to hold the Lesley Cup matches next year, and there was a well defined rumor that in view of the recent great advance of the facilities of the Merion Cricket Club a committee has been appointed to formulate definite plans and comprises Howard F. Whitney of Metropolitan, Howard W. Perrin of Pennsylvania, and H. H. Wilder of Massachusetts.

### Walkers on Thirteen-Mile Trip.

Thirty-two members of the Walkers' Club went out on the regular Sunday trip yesterday and tackled the walk from St. George to Midland Beach and return, a distance of thirteen miles. Next Sunday there will be two packs of walkers out, one led by Assistant Pathfinder Trefey and the other one led by Pathfinder Lackemacher. The former pack will walk from the 130th Street Ferry to Hackensack and return, starting at 8:30 A. M. The other pack will consist mostly of those who intend to take part in the West Point race and will take a trial trip over part of that course. They will start from the West Forty-second Street Ferry at 8:30 A. M.
