PEACE CONFERENCE MEETS TOMORROW

National Commission Announces Date for Clearing Up Details.

CINCINNATI, Ohio, Jan. 3.—The committee appointed at the recent meeting of the baseball peace conference here to settle the dispute between the Federal and International Leagues will meet here next Wednesday at noon.

The committee is composed of President Edw. J. Cannon of the Federal League, President Edward Barrow of the International League, a representative of the Baltimore Federal League club, a representative of the Buffalo Federal League club, and the members of the National Baseball Commission.

At the meeting here today various matters that have to do with the readjustment of baseball affairs to conform with the recent treaty of peace were discussed informally and other than the announcement that the date and place of the committee meeting had been fixed, no news of a definite character came from the meeting room.

It is known semi-officially, however, that the waiver question, insofar as it concerns the Federal League players, was taken up, thoroughly gone into, and then laid over to be decided finally by the joint committee, on Wednesday.

It is also known that there are a number of small matters that will be decided at the meeting of the joint committee other than the waiver question and the International League dispute.

What the matters are was not allowed to be divulged, but one man high in baseball circles said: "There are a number of details that might conflict when peace is declared between the two bodies.

Another meeting of the National Commission will be held tomorrow and it is probable that the officers for the year will be chosen at that time.
