

HERRON WILL NOT PLAY IN STATE GOLF TOURNEY

Special to The Inq. —

PITTSBURGH, Pa., Sept. 14.—S. Davidson Herron will not play in the State amateur golf championship tournament, which will start at the Whitemarsh Valley Country Club course, near Philadelphia, next Thursday. This was authoritatively announced today. Herron will be a member of the Pennsylvania team which is to compete in the Lesley cup matches at Southampton early in October. As he was absent from his business during the entire month of August in order to take part in the recent national amateur tournament at the Oakmont Country Club, he found it impossible to absent himself so soon again to enter the State tourney.

Herron will be subjected to a severe test in the Lesley cup matches next month, as he probably will be called upon to face Francis Gulmet, the Woodland player; Jerry Travers and Chick Evans. He will have the honor position on the team and hence will be called to play the leading players on the other teams in the competition.
