

Golf Dates Fixed For Major Events

The Pennsylvania Golf Association has announced the dates for the two State championships. The Open event is scheduled for July 8; the Amateur on either June 28, 29 and 30 or June 29, 30 and July 1. Both events will be held on a Pittsburgh course, the Whitemarsh Valley Country Club having entertained last year.

October 1 and 2 are the tentative dates for the Lesley Cup matches, which will be held on the links of the Merion Cricket Club, it being Pennsylvania's turn to hold the tri-State competition.

The Merion Cricket Club has selected September 29 and 30 for its second annual Invitation Tournament. It will be a 72-hole medal play affair, 36 holes each day.
