Espinosa Draws Tough Opposition When He Faces "Wild Bill" Today.

BY PAUL B. ZIMMERMAN (Associated Press Sports Writer.)

LOS ANGELES, Dec. 4. (AP)—Horton Smith, 21-year-old pride of the Missouri Ozarks, today was listed among the missing or sixteen survivors in the professional golfers' association championship...

The superb drives and putt of Craig Wood, youthful Long Island, N. Y., professional, turned the trick of eliminating one of the favorites in the first round of match play yesterday.

Leo Diegel, defending champion, turned in a sparkling 64 for his morning's eighteen, a new competitive course opening day, held no power over him, the great "Hag" played the first eighteen in five under par, 66.

Among the chosen sixteen, eight of whom face elimination today, was Fred Morrison, medalist, the Los Angeles professional fought an uphill battle before winning 2 and 4 from Joe Kirkwood, trick shot artist from Philadelphia.

A former open champion, Gene Sarazen, fresh Meadow, N. Y., stands in Morrison's path today.

By strange coincidence Hagen, Bill Mehlhorn, New York, and Henry Gull, Mill River, Conn.—the trio which was forced into a twilight series to earn the right to enter yesterday's play—all survived their matches.

Diegel will meet Herman Barton, Philadelphia, a comparatively stranger in big time golf, while Hagen is confronted by Charlie Guast, Los Angeles professional.

Al Espinosa, Chicagoan, must subdue "Wild Bill" Mehlhorn to continue in the race, Wood, flushed with the Smith victory, can count on Neil Christian, Portland, Ore., professional, to give him another tough round.

The northwesterner turned in one of the important cards yesterday by eliminating Frank Walsh, Chicago, 6 and 5.

His matches on today's schedule: Lary Abbott, Houston, Texas, vs. Al Watrous, Detroit.

Henry Cupul, vs. John Farrell, Long Island, N. Y.

Tony Manero, New York, vs. Eddie Echultz, Troy, N. Y.

Union College Increases Games

SCHENECTADY, N. Y., Dec. 4.—Union College has increased both its hockey and swimming schedules for this season according to an announcement today by Harold Anson Bruce, director of athletics.

The Garnet hockey team will play ten games, five of them in the newly completed Ryder hockey rink which is considered to be one of the largest college rinks in the country and which is so lighted as to permit night games.

Union will meet Cornell, Connecticut Aggies, St. Johns (New York), Norwich, Amherst, R. P. L., Williams, Vermont, Hamilton and Pennsylvania in hockey.

The Garnet swimmers will meet teams from Worcester Poly, Amherst, R. P. L., Lafayette, University of Delaware, Colgate, and Cornell.

Professor Harold Atkins Larabee, head of the department of physical education, will coach his fifth team at Union in hockey.

He has lost only two men of his team last year, Captain Bob Beale and Drake. He has Captain Jack Beale, Hensaff, Hedinger, Kalin, Foster, and Carr of the first string men of last season, besides Smith, Worle, Wilson, Forbes, Savage and Townsend who saw service on the varsity last year.

The eligibility of freshmen to play during the second semester will not materially affect the prospects of the season for the sixth.

GLASGOW MAKES FINE RECORD ON HAWKEYE'S GRID

IOWA CITY, Ia., Dec. 4.—Gains in three years totaling more than three-quarters of a mile—1,424 yards, to be exact—for an average advance of four yards every time he took the ball under his arm, Willis Glasgow, Iowa's 1929 football captain, long will be remembered as one of the greatest backs in Hawkeye history.

The Hawk leader made his finest average of 4.2 yards in this season, in spite of being forced to wear a heavy mask over his face to protect a cracked cheek bone.

Gains in 1929 totaled 546 yards for his highest season's total.

Sport Slants by ALAN J. GOULD

Whether or not it is consistent or however it contrasts with the policies in such other sports as tennis, the United States Golf Association has taken a firm stand in the amateur trenches by refusing to sanction the payment of expenses for players on state or sectional teams, such as in the Lesley Cup competition.

The proposed amendment might easily lead toward commercializing the sport and encourage a group of players whose sole activity might be that of playing on golf teams throughout the country with expenses paid.

This unquestionably strikes a determined blow on the side of those anxious to see amateurism, less commercialized and against the Amateur Association, more on the side of gentlemanly competition, without concern about expense accounts or guarantees.

The U. S. G. A. program has had an object lesson in the difficulties that have arisen following the let-down of barriers on expenses in other sports, where the high-class amateur tennis star is able to play East and West, North and South; where the amateur track and field ace can run, jump or hurdle most of the winter in club meets scattered between Boston, New York and Chicago.

Notre Dame's gridiron outfit will continue to ramble about the country but the Hoosiers will have a bigger stand than ever next year in their new South Bend stadium, seating 60,000.

Both Buffalo and Cleveland tired in the overtime contest and could not score the winning goal. Dutch Cain scored Buffalo's goal while Williams to Dorsey combination got Cleveland's marker.

The Olympics opened strongly against London in their clash but could not maintain the pace and faded badly in the last part of the first period and second also. There was no scoring in the third and overtime sessions.

Mike Rodden, sport writer and referee, did not stretch facts as cousins, Kaminsky and Shannon were the best amateurs to take the ice since Howie Morenz and Billy Burch turned pro in Niagara Falls, Ont., juniors aren't going to desert the amateurs this year either despite numerous and flattering offers. They are going to win the Ontario championship.

Scoring 41 goals in three games gives the Juniors a big edge over any other team in this regard. But it is also a vindication for the amateur leagues. If they keep up this idea of changing every year the game will be as hard to follow as the new rules in football.

Harry Fuller may be matched to fight Len Darcy in Buffalo on Monday night on the Weigand-Skyra card for the Queensbury club. The bout should prove a good one for Fuller showed plenty of class when he scored a knock-out over Tony Tora in his last appearance in the Bison city while Darcy made a fair sort of showing not so long ago against Jimmy Slattery.

Fuller's showing will depend a great deal on the condition his arm is in. It was badly cramped when he fought in Oil City last week as the result of tactics which the referee apparently didn't catch.

Arrangements have not yet been completed for the annual football New Year's day classic in Stamford during the Tournament of Roses. The west coast will be represented by either California, southern California or St. Mary's. Notre Dame exacts an unwillingness to exempt so the team from the east will most likely be selected from either Pittsburgh, Tulane or Colgate.

Even though December is now here with an abundance of winter's cold and snow, the Gordon Rangers do not seem to want to abandon the gridiron. Their game with the Tigers last week was called off on account of the

condition of the field but on Sunday they are going to invade Rochester to oppose the Oxford.

Johnny White, quarterback of the Big Ten champion, Purdue eleven, did not carry the ball once this season in any of the Boiler-maker's games. He didn't have to with such men as Welch Harmon and Yanesvitch on the backline to look after the ball toting duties.

Marking the first time in history, the University of Mexico, oldest and verity in the western hemisphere and founded in 1551, will confer its honorary degree on an American, Reginald Dean Root, A. B. of New York, in recognition of his character building influence as coach of the University of Mexico football team. Root found the problem of teaching abstinence from alcohol and tobacco a difficult one, but it was finally overcome among his players. He was forced to employ an interpreter in his work and, in addition, had to serve as financial adviser to the university in the matter of sports.

No more exciting race has ever been staged in Falls' boxing history as the present one in the city league. The lead changes about every week and at present the Hinds Paper Box squad is on top.

The standing to date follows: Hinds Paper Box ... 32 13 Melhaws ... 30 15 Perry Batteries ... 30 15 Cohen Furniture ... 29 16 Keller's Meats ... 28 22 Kings Ribbons ... 28 21 Knights of L ... 9 36 Elberts ... 9 25

The Industrial Bowling league race has tightened up considerably since the first couple of weeks of the season. The long lead that the Gillmans had gained has been cut down so that there is only four points difference between the first six teams. The USL Battery and Gazette teams are closing up on the Gillmans. The unofficial averages follow: Gillmans ... 28 17 USL Battery ... 26 19 Gazette ... 26 19 Dobbie Foundry ... 25 20 Salesbook ... 24 21 Niagara Electric ... 21 21 Kimberly-Clark ... 20 25 Vanadium ... 7 23

DES MOINES, Ia., Dec. 4 (AP)—Night baseball is the real solution to the problem of making minor league baseball succeed, Lee Kaiser, president of the Des Moines western league club, declares.

Schools that used to be broke now have money, particularly the small institutions, because they adopted the night plan for football, Kaiser said.

Why not night baseball? It will draw and offset the use of the auto and give the working man a chance to attend.

Kaiser said he intended trying the plan out in Des Moines next spring.

Set Record Attendance

More than 50,000 persons, the largest crowd in the history of the Grand National in Buenos Aires, witnessed that race recently, which is known as the Argentine derby.

KNOCKS & BOOSTS By MIKE QUINLAN

Few fans, the writer included, gave the Cataracts a chance of defeating Windsor on Monday night but Charlie Reid and his players almost turned the trick by turning in sixty minutes of hard checking hockey.

The work of Ice Masters as referee didn't please the fans a bit but the spectators went altogether too far when they started throwing things out on the ice even though Masters work was weak.

Masters has had trouble in other arenas than the one across the river and also in other seasons than this one. President King of Windsor might do well to re-organize his staff of referees.

FIVE PLAYERS ARE PICKED FROM EACH LEAGUE FOR STARS

Hornsby Is Only Player to Be Named on All-Star Lineup for Five Years.

ST. LOUIS, Dec. 4.—(AP)—The two Major Leagues in baseball shared honors equally in the 1929 All-Star team of the Sporting News. St. Louis baseball newspaper, named by the votes of 187 members of the Baseball Writers' association, and announced today.

Each league placed five men on the team, which includes two pitchers and no player for each of the other positions.

An outstanding feature was unanimous selection by the series of Mickey Cochran of the world champion Philadelphia Athletics for the catching position. He received all 187 votes. Three of his teammates also were chosen.

Members of the team are: Al Simmons, Athletics, etc field; Hack Wilson, Chicago Cubs, center field, Babe Ruth, New York Yankees, right field; Jimmy Fox, Philadelphia Athletics, first base; Rogers Hornsby, Chicago Cubs, second base; Pie Traynor, Pittsburgh Pirates, third base; Travis Jackson, New York Giants, shortstop; Mickey Cochran, Athletics, catcher; Lefty Grove, Athletics, pitcher; Burleigh Grimes, Pittsburgh Pirates, pitcher.

The team has a batting average of .327 and if the pitchers are excluded, the average is .346. The two pitchers have won a total of 37 games while losing 13, for an average of .740 for the season.

Seven players were chosen by overwhelming votes. The man for first base was chosen by Fox and Bill Terry of the Giants; Grimes was closely pressed by George Earnshaw of the Athletics for the second pitching position, and Hack Wilson had competition for the center garden position.

The sporting news has sponsored selection of the team for five years and Hornsby is the only player to be named on all five teams.

May Pilot Robins

Zach Wheat, who used to be an idol of the baseball fans at Brooklyn, may be the new manager of the Robins, if one interprets correctly the rumblings heard in Flatbush.

The formal opening of the contest shared interest with a decision by President H. M. Sexton after a ruling of the case of George Topor.

The secretary's files now cover more than 50,000 names of baseball players and their records.

The two International leagues appealed to the board of arbitration, rehearing in their case but as by the board was unnecessary association president reopened matter and heard their side as sent by Branch Rickey. Vice president of the St. Louis National league, owner of the Rochester club Sexton withheld announcement of ruling until today.

One of the few deals involving league clubs resulted in the trade of the contract of Frank Nielson, left-handed pitcher of Holy Cross, to the New York Yankees to the St. club of the American Association.

Major league presidents and managers came to the National association as visitors but they were traded among themselves if the deal could be arranged. Joe McCarty, the Chicago Cubs was understood to be willing to pay Pittsburgh a large sum for the release of Burleigh Grimes pitcher.

Last year Harry was high scorer of the Fresh quit and was a flashy floor performer. Besides playing on the basketball five Harry held down the position of shortstop on the diamond aggregation in fine style. Outside of experience in collegiate ranks Switzer should find no hardship as he seems to be right at home on a court. McCarty is banking on the Brooklyn flash to overcome his one handicap in short order, and thus earn himself a regular berth on the Varsity hoop outfit.

Court Prospects at Niagara U.

HARRY JAMES SWEITZER Harry Switzer, after starring in freshmen athletics, will sport his first varsity suit when he lines up with Bill McCarthy's Purple quint in their opening basketball game of the season.

Switzer entered Niagara last year after matriculating at St. Johns High School, Brooklyn, New York. The Brooklyn youth was one of the brightest athletes to wear the spartan and white of the Metropolitan institution, and since entering on the heights he has continued his good work.

At St. John's Switzer held down a forward berth for four years running. He was a member of the team that won the state title in the year 27-28. St. John's won championship of the Catholic League in New York for two straight years and Switzer was numbered among the players.

In his last two years of high school Switzer was picked up by critics of the melting pot of the world on the mythical All-New York quint. St. John's participated in the national tournament in '27-28, and Switzer's work earned him the praise of Windy City sport writers.

Gordon Rangers to Hold Banquet

Hotel Niagara to Be Scene of Annual Festivities.

The Gordon Rangers football team will stage its annual banquet and dance tonight in the Niagara Hotel and the affair promises to be just as popular as in past years.

Philip Case has charge of the arrangements once more and, assisted by other members of the club, has promised an interesting evening's entertainment.

Officers of the club will be among the speaker's and the team's record for the year will be reviewed.

The banquet will start at 8:30 and dancing will follow immediately after the speaker has completed their remarks.

The Rangers will close their season on Sunday with the team journeying to Rochester to play the return game against the Oxford. The Oxford defeated the Falls team by a 20-0 score here earlier in the season and the Gordons are going to try and improve on this showing.
