

Karnaks, Sanfords Set Pace in Mohawk Valley League

RUGMAKERS EXPERIENCE LITTLE DIFFICULTY IN TURNING BACK EDISONS

The Sanfords scored their third consecutive victory in as many days on Sunday afternoon when they overpowered the Edisons at Sanford field, gaining a 11-1 decision. Ralph Perry took the slab for the locals and he breezed along in the local slabs, picking for two batters, kept them well scattered and added seven strikeouts to his credit.

Tony Faige opposed the Rugmakers and the Sanfords had little difficulty connecting with his slants. Faige kept the bases well populated when he walked ten batters which helped cause his downfall.

The Rugmakers made things hum in the first frame when they jumped to the front with a two-run lead. Singles by Giannotti and Richardson, coupled with an infield error, gave them the markers.

The Edisons rallied in the second but the Rugmakers came right back, adding two more in their half of the second, giving them what proved to be a sufficient margin to win.

In the fourth stanza McBride's bat scored five tallies when Faige became wild, walking four batters. This, coupled with three singles, sent the Rugmakers well to the front while the Edisons were falling to dent the platter. On several occasions the Dorpians would have runners in scoring positions only to lose the necessary punch to get them home.

Giannotti and Hatdergot featured the slug, collecting three home runs each, while Giannotti played a great fielding game. McBride, seven chances in sure style. MacStevens, Ketchum, Fontana and Faige did the hitting honors, each annexing two blows, while Johnny Winkler excelled in the field for the visitors.

SPORT SLANTS

Win, lose or draw, the New York Yankees, so long as Babe Ruth is able to toddle up to the plate, are dangerous in a slug series, even now, they probably are the toughest club in baseball, no matter where they happen to be in the standing of the league.

Recently, while the Athletics were coasting along with around a ten-game lead, I asked Connie Mack what he feared most, if anything. One might have expected the old master to say something about his own club going stale, with no big margin to work on. But he replied:

"The Yankees. We can't ever be too far ahead of them to suit me. They have slipped, possibly, but they are always dangerous. Our club has more than held its own against the champions this year, but by any wide margin. Confident as I am of our club, I would feel none too easy if the present lineup on the outcome of a single series between the Athletics and the Yankees."

There were some hopes earlier in the year that Jack Dempsey would yield to the old call and have one more slug with the gloves but the retirement of the Irish Mauler, now steady as permanent as that of Tunny, Dempsey has yet to find the steady job as a promoter that he hoped to find after his successful venture with Madison Square Garden in Miami Beach last February. Falling in that case of the arena, Dempsey was set to take his own way back to the ring by financial inducement.

It is now six years since Dempsey, in his last title success, beat off the Wild Bull of the Pampa, Luis Firpo, at the Polo Grounds. Firpo, Dempsey cannot forget the ring and talks now and then of a comeback.

Firpo proved a business man as well as a fighter when he. He has been a rich man in his homeland. His friends say he is a millionaire, whether the figures are in dollars or pesos. He has made more money outside of the ring than any other boxer.

Firpo was a great slugger but Dempsey, he was terrible. So says Alvin Karpis, one-time Atlanta Olympic boxer who wound up a short professional career after serving as a sporting mate for Dempsey when the latter prepared for his first fight with Tunney in 1918. Firpo, now making a stable of Argentine boxers in the United States, regards Dempsey as the hardest hitter of them all. He absorbed enough Dempsey punches to show something about it and still bears a scar left by the crushing impact of one of the old Mauler's short left hooks to the chin.

AVENGERS SNAP LOSING STREAK

Under a new manager, Clarence Hartig, the Avenger A. A. snapped its four-game losing streak by downing the Amicus Club Sunday afternoon at the east end park in a thrilling ten-inning game, 10-9. The game was close throughout, neither team having a big advantage at any time.

The Amicus club scored two runs in the opening inning on two walks, a hit and an infield out, to take an early lead. The Avengers jumped into the lead in the second when P. Mikolaitis drove one over the center track in right field for the circuit with two of his mates on the base path. The Avengers scored another run in the third to increase their advantage to two runs.

In the fourth the Amicus nine fell on Miller's offerings and squeezed in three runs on four hits. Gahr went in to pitch for the Avengers and held his opponents to four hits for the remainder of the game.

The Avengers realized their two-run lead in their half of the fourth but Amicus tied it up in the sixth at 7-7. The clubmen pushed two runs across the plate in the seventh to again take the lead, but the Avengers knotted the count in their half of the seventh.

The losers threatened to score in the eighth but a good play by Bell and D. Guest pulled Gahr out of the difficulty. Amicus was retired in order in their half of the ninth. With one out in their half of the ninth the Avengers had a man on third. Furman went out to open the inning. P. Mikolaitis singled and went to third on J. DeStefano's wild peg to second to catch him stealing. The Amicus infield played in and P. Mikolaitis was nipped at the plate on Cicco's bunt.

In the tenth, Gahr quickly retired the clubmen in order. Piconte and Picco struck out and Fontana popped to the catcher.

The Avengers' half of the tenth by reaching first on an error. D. Guest sacrificed him to second. On the next pitch Gahr stole third. The Avengers' again worked the squeeze play when Captain Grodecki laid a well placed bunt down the third base line to score Gahr while the winning run.

P. Mikolaitis, Gahr and Grodecki carried away the batting honors for the winners. Each hitting safely three times. Picco did likewise for the Amicus to lead their attack.

The Avengers would like to book Saturday games with any of the following teams: Mohawks, Polish, N. L. Athletics, or Mt. Carmel.

WALKER'S CROWN IS NOT INVOLVED

New York, Aug. 19.—(AP)—While New York's title fans get a chance to recover from the thrilling Heaney-Campolo fight, the boxing sport light shifts this week to Philadelphia and Chicago.

The Metropolitan district does not have a single first-class attraction for the next six days. But other sections come to the rescue with a number of bouts far above the ordinary.

At the municipal stadium, Philadelphia, tonight Mickey Walker, king of world middleweights, takes in a ten-round bout with Leo Lomski, the deadly body-puncher from Aberdeen, Wash. Mickey's crown will not be involved but the bout may go far toward determining the next light heavyweight champion. Tommy Loughran, matched with Jack Sharkey in the big heavyweight battle of the fall, soon is to relinquish his 175-pound championship and Mickey already has let it be known he intends to claim the crown. Lomski long has been considered a leading challenger for that title.

Chicago offers an all-star card at the Chicago stadium Friday night with four ten-rounders involving featherweights, lightweights, welterweights and middleweights. Rene Devos, Belgian 160-pounder, meets Johnny Burns, a promising boxer from San Francisco, in what seems to be the best offering. Joey Medill, Chicago lightweight, who recently gave Stanislas Loyasa a Chliea at trouncing at New York, will try it again. My Sullivan, St. Paul welter, meets Rixey Allen of Boston and Eddie Shea and Earl Mastoro, rival Chicago featherweights, are matched in the other two ten-rounders.

"Old" Stribling and Jimmy Maloney, heavyweights, are to action in widely separated cities tonight. At Kansas City, Stribling meets Joe Sekyra of Dayton. Maloney faces Ricardo Berizola, of Italy, at Brava's field, Boston. Both bouts are ten-rounders.

Dave Shade, veteran Pacific coast middleweight, battles Young George Dixon, Portland, Ore., negro, in a ten-rounder at Oakland on Wednesday night.

Tonight, at Columbus, Ohio, Bassy Graham, Utica, N. Y., meets Eddie O'Rowd, of Columbus, in ten rounds. Both are bantamweights.

BOXER RUNS AMUCK AND LANDS IN JAIL

Chuck Wiggins Attempts to Whip Indianapolis Police Force But Takes Count.

Indianapolis, Aug. 18.—(AP)—Chuck Wiggins, veteran local heavyweight boxer, and known to thousands of ring fans as the "Hossler Playboy," because of his antics in the ring, tried his fist on a large part of the Indianapolis police force last night, and took the count. As a consequence, he may not be able to go through with his ten-round bout with Al Friedman, Boston heavyweight, here Tuesday night.

Wiggins was badly beaten before he was finally jailed. The trouble started when his machine struck a police car. After knocking down the officer who attempted to arrest him, Wiggins was cornered in a hotel lobby, which was badly damaged in the ensuing fight. The emergency squad had to be called before he was subdued.

Wiggins was charged with drunkenness, operating a motor vehicle while under the influence of liquor, resisting an officer, assault and battery, failure to stop after an accident, and vagrancy.

Defeat Polish National Legion Team in Tenth Inning by Score of 7-4.

The baseball team of the Polish National Legion met defeat Sunday afternoon at the hands of the Athletics in a ten-inning game played at Sons of Poland park. The score was 7 to 4. Mirski, on the mound for the Athletics, was in rare form, 17 batters being retired by the strikeout route.

Pianowski twirled good ball for the P. N. L., but bunched hits, coupled with errors by his teammates with men on bases, caused his downfall.

The P. N. L. dented the plate first in the second inning. Andrews scored a single over third base and stole second. He scored on a wild throw to that bag to catch him.

The Athletics tied the count in the fifth inning when Boyce singled and took second on a wild throw. He crossed the pan on Belkowski's single. The Athletics added three markers in the sixth inning when Wilcak singled and Mirski got a free trip to first on four wide ones. Newkirk hit a long double to left, scoring both runners. He counted soon afterward on a wild peg to second.

The P. N. L. added two in their half of the sixth inning when Ward singled and Peary also hit safely. Kula grounded out. Andrews then cracked his third single of the game, scoring Ward and Peary.

The Legion tappers tied the count at 4-4 in their half of the ninth. Andrews hit safely for the fourth time. He was out stealing. Kuluska struck out. Albright batted for Peary and singled, scoring on a double by Bogdan. On a throw to the plate Bogdan was called out, retiring the side.

The Athletics won the verdict in their half of the tenth when they scored three runs on three successive singles, coupled with errors.

Andrews' hitting and fielding featured for the losers, while Newkirk batting and Bjokowski's fielding stood out for the winners.

TYPICAL STONE HURLING RESPONSIBLE FOR TROY BEING BEATEN AT HOME

The Karnaks clung to their aim sargits at the top of the Mohawk Valley league by defeating Troy at Troy Sunday afternoon by a score of 1 to 2. Inasmuch as the Sanfords and Scotia also won their games Sunday the race for the pennant is a pretty one with the three teams all closely bunched and scheduled to meet on the diamond this week. The Rugmakers being slated at Scotia Wednesday night and the Karnaks Thursday night. The outcome of these two games will have an important bearing on the race.

"Lefty" Stone was on the mound for the Karnaks in the game at Troy Sunday afternoon and he twirled a typical Stone exhibition, having the Trojans at his mercy throughout and being in danger in only one stanza, when a base on balls and a home run accounted for two of the three runs credited to Troy. In addition to this Stone fanned eleven batsmen.

Fagan, the Troy porisider, pitched good ball in spots, but the Karnaks found the range in the latter part of the contest and Fagan was relieved by Blum, who stopped further scoring on the part of the locals.

The features of the contest were the batting of Charlie Clifford, who had a perfect day with the stick, accounting for a triple, double and two singles, and the fielding of Billy Gilboa. The latter cut off a Karnak rally by making a wonderful throw to nip Gundersdorf at the plate. He also pulled two sparkling catches in the outfield when he robbed Joe Murphy and "Lefty" Stone of at least triples. He speared their long smashes in deep center after hard runs.

Tomorrow night the Karnaks play the Edison club at Schenectady at Jollyland. Inasmuch as every game means much now to the league leaders it is needless to say they will be there fighting from the very start. The Edisons might trip up the locals at this critical period, but not if Clifford's men show the punch that has characterized their recent standing.

BAY STATE GOLFERS ENDORSED IN STAND

Former President Approves Determination Not to Bow to U. S. Association.

Boston, Aug. 19.—(AP)—The Massachusetts Golf Association today indicated its determination not to bow to the United States Golf Association in the impending war over professionalism. The state group made public a statement by E. E. Litchfield, a former president of the M. G. A., in which he upheld the stand of that body.

"The storm clouds first gathered when the M. G. A. announced its intention to pay expenses of its representatives in the forthcoming Leasley cup matches and interstate competition. Herbert Jacques, New England representative of the U. S. G. A., immediately issued a warning that in this event, the players would lose their amateur standing.
